So Ravi, I am struggling with your comment on slide 17, maybe we could talk today about that, as I would like to put my slides into clearance today. I am not sure if Samantha is planning to comment on them.

Karen, I would also like to talk to you about your preparations for the DSF meeting:

BTW, Paul W has started to pay attention. I sent him the draft slides and the list of NAS discussants.

Hi all- I apologize for sending this presentation piecemeal. I am attaching a revised version working in two graphical overviews.

I don't plan on working on the slides again until I receive comments/suggestions from others. If you can take a moment to look through the slides, I would appreciate it. I will need to send them through clearance soon.

Thank you,

Kathleen
